This is the introduction of the essay.<sup>1</sup> In this essay, in the voice of Indiana Jones, I will attempt to say smart things about Djuna Barnes's 1936 novel *Nightwood* (Barnes 1936). I've chosen that novel just because it's what's on my mind at the moment that I am writing this boilerplate text and have not yet decided to move ahead to the lorem ipsum text.

You'll notice a footnote above. In the markdown, I wrote: `^[It's important to put many jokes in footnotes.]` there. Anyway, back to *Nightwood*. Looking at the 1995 edition of the text, edited by Cheryl J. Plumb, we note that the narrator refers to Guido Volkbein as "both a gourmet and a dandy, never appearing in public without the ribbon of some quite unknown distinction tinging his buttonhole with a faint thread" (Barnes 1995, 3).

<sup>1</sup>It's important to put many jokes in footnotes.

Sed laoreet, elit vitae tincidunt ultrices, dolor est sollicitudin.

It was important to remember that, during this battle, the sides were hardly evenly matched.<sup>2</sup> Nevertheless, the battle started precisely at noon.
